## WOODFORD

This series explores the relationship between Sydney and her horse, Woodford. Sydney has always loved horses and growing up in Colorado allowed her to have one her whole life. However, once she moved to California for college, she was missing her animals, but when her friend told her they were selling their horse, she immediately jumped on the opportunity. That is how she ended up with Woodford, the 10-year-old off the track racehorse from Kentucky who won over thirty thousand dollars at the Breeders Cup in 2015, among other titles. Their bond is stronger than ever and watching them together is fantastic.
